WATPA NEWS – APRIL 2018

Hoping everyone has a safe and happy easter looooong weekend – yeehah!

Yet again our March events have had a few more new faces, this is fantastic for the growth of the club and we hope to see more regular attendees/members.

NOTICE:

DOGS: Currently dogs are permitted, but some guidelines must be followed or this will cease. All dogs must be well behaved and kept chained/tied/crated at your camp. Once competitions are over, your dog (if social) is permitted at the social/spectator area with you but must be kept on a leash at all times when not at camp and kept away from food preparation area in and around the shed.

HORSES: At no time is a horse to be hard tied while on the property of the Ravenswood Arena. Any horse while in the arena is not to be hard tied to the arena panels and no halters are to be left loose on the ground or hanging loosley while lead is tied to panels and not on a horse.

SMOKING: While WATPA events are not smoke free events, please be mindful if you wish to smoke that you don't smoke while competing or warming up for the reason if you are captured in a photograph and it goes into social media, we (WATPA) may have difficulty in obtaining any future sponsorship. In addition please be courteous with your cigarette butts and dispose of these correctly.
