

# WATPA NEWS – SEPTEMBER 2017

YAY – Welcome Spring!! Hoping the change of season brings us some gorgeous warm sunny days for the new season of Team Penning & Ranch Sorting.

Kicking off September is our AGM on Sunday 10<sup>th</sup> at Dome in Midland at 11.30am, please advise Sally or Cathy if you are able to attend and would like to be an active member of the committee. Keeping the club ticking over takes some dedication from our committee, more hands make light work ☺

## WHATS ON.....

Sunday September 10<sup>th</sup> – AGM start at 11.30am, should run for approx 2 hours.

Saturday/Sunday 16<sup>th</sup>/17<sup>th</sup> – Ravenswood Arena for our Team Penning & Ranch Sorting competitions, hoping we have a great turn up and gorgeous riding weather. Looking forward to a campout and catch up with all our friendly members, and good laughs and shanannigans as usual.

## Mundaring Habits of Horses

WATPA had a stall at the Habits of Horses in Mundaring on August 20<sup>th</sup>, the people helping man the stall were Cathy, Sally, Darren & Jenny, Bethanie and her family. Warren also ran a demo of horsemanship outdoors with Amanda & John helping him. We were able to use some of the panels kindly sponsored by Withnells Stockyards and our stunning new banners.

## Mogumber Junior Rodeo – Ranch Sorting intro

WATPA held their first Junior Ranch Sorting intro with a jackpot entry available. We extended the entries to include beginner ranch hand so that some of the parents/adults could also join in.

Yet again the Withnell Stockyard panels were a godsend.

## Dowerin Field Day – WATPA stall & Demo

Big thank you to everyone who helped for the Dowerin Field Day, the weather thankfully held off and only rained in the last half hour of loading horses and hitting the road.

As we couldn't have actual cows, a few of us had the pleasure of being collared and letting Darren & Warren chase us on horses. We had our awesome new WATPA banner flags for our display.
